

PROFESSIONAL EXPERIENCE

International Internships

The student's professional periods can be carried out :

- in the sector of activity of their choice
- under an internship agreement (published by the school or provided by the company)
- but also under employment contract (CDD, CDI, temporary, VIE, Civic service, etc.)
- with prior validation by the Career Center (Request for Connection via eCampus: student online space)

To submit your internship offer for free on our Job Teaser platform, go to the following link:
